ABSTRACT

This is a study about the Arts and Science college libraries in the Neyyattinkara Taluk. The aim of this study is to assess the adequacy of the resources and services provided by the Arts and science college libraries in Neyyattinkara Taluk, Kerala, India. This study could also assess the facilities provided by the college libraries. Accordingly, it was found that the resources, services and facilities of the college libraries under study are adequate. The Arts and Science College libraries under study are maintaining a good standard.
